**Supporting documentation**

Providing your proceeds are being transferred to your personal bank account, an electronic copy (uploaded or emailed) of this form is sufficient for us to initiate the payment of your matured contract.

In order that we may complete the maturity process and remit the funds to you, we should be in possession of valid identification, together with a document proving your current residential address. Please note these documents are required for each contract holder.

If you have provided this information within the last 2 years and the information is still valid, i.e. your identification document has not expired and you reside at the same address, then you need to take no further action.

If however the information we hold was provided more than 2 years ago, has expired, or you have recently moved address, then we will require new certified paperwork.

**What we require**

Your identification document can be your current Passport or current National Identity Card. If not available, suitably certified copies of two other formal documents such as a tax assessment, driving licence or similar document.

Your residential address document should display the residential address of each applicant. Such documents include a utility, rates or council tax bill, an entry in a local telephone directory, a bank or credit card statement, a mortgage statement, a tax assessment document, or proof of ownership or rental of the residential address. Please note this document should not be more than **six months** old.

Examples of individuals who are acceptable as a suitable certifier include:

- your independent financial advisor provided he/she has been appointed a suitable certifier by Hansard Worldwide Limited
- an authorised representative of an embassy or consulate of the country who issued the identification document
- a notary public, commissioner for oaths, lawyer or advocate, a registrar or other civil or public servant authorised to issue or certify copy documents
- an accountant who is a member of an institute, or other professional organisation.

The individual certifying your documents must state their name, position and the date on which the certification took place.

## 4. Important notes

1. Upon the maturity of your contract, your units are sold using prices and exchange rates prevailing on that date, or the next available date in accordance with the Contract Terms and Conditions.
2. If your contract contains unit funds whose pricing has been suspended, the units within in the funds can therefore not be realised and will not be included in your maturity proceeds until such time that the unit funds become unsuspended.
3. The duration to prepare your payment, following maturity, is five working days.
4. Please note a bank transfer charge will apply upon the relaying of funds to your specified bank account.
5. We are not responsible for any delay incurred as a result of insufficient bank information being provided.
6. If we do not receive all appropriate information and documentation to allow payment of your proceeds with 3 months of the maturity date, we reserve the right to request a new instruction.

## 5. Personal Information

Any personal information that you have provided on this form will be processed for the intended purpose. We may also use this information for any other purpose specified in the Hansard Worldwide Privacy Policy (HWL24) which is available to view on our website; hansard.com. If you have any questions about the usage of your personal information, please contact our Data Protection Officer by emailing data.protection@hansard.com, or Hansard directly, using the details at the end of this form.

I HEREBY DECLARE that:

- I have read and understood the Supporting Documentation and Important Notes and request that Hansard Worldwide Limited action my instructions in accordance with the Contract Terms and Conditions.
- I have read and understood the Privacy Policy document (HWL24).
- I am entitled to the proceeds of the contract, less any sums owed to Hansard Worldwide Limited, and that no receiving order has been made against me and that I am not an un-discharged bankrupt and that the contract has not been assigned or transferred, nor has any person any rights to the contract other than myself.
- I acknowledge that Hansard Worldwide Limited reserves the right to seek the return of any or all of the withdrawal proceeds in the event of a claim made to it by a fund house or third party (where the unit fund was linked to the contract) arising out of or in connection with the withdrawal proceeds.
